HEADROOM	6'1"
BEAM	9'4"
DRAFT	4'2"

Some items shown are optional.

# **GULF-27 CLASSIC PILOT-HOUSE CRUISER**

The Gulf-27 was designed by Capital Yachts for the person desiring the comforts of traditional boat design and the sailing characteristics of modern sailboat technology. Inspired by the time-proven Gulf-32, the Gulf-27 has a pilot-house deck configuration which provides a light and airy cabin and allows the option of inside wheel steering. The hull and deck are completely hand laid-up from the highest quality fiberglass and gel-coat materials. The deck is reinforced with core sections and plywood. The hull to deck joint is trimmed with a teak cap rail.

The Gulf-27 is delivered with the following:
